Board of Directors - Nomination Form

The Australian Transgender Support Association of Queensland Inc. Board of Directors is the connection between our state and our mission. The Board provides both guidance and governance. As a NFP operating without any government funding, we are run by volunteers and only supported by membership fees and donations.

In accordance with our rules, we are now accepting nominations for the 2025-

26 Board. In parallel with this, we are always interested in having a conversation about being part of how ATSAQ and its new proposed name of QTrans serves our Queensland community.

Nominations must be completed on the attached form and be sent to the address below and be received by midday 15 March 2025.

Email: AGM@qtrans.org
